## PROFESSIONAL SUMMARY

I completed my Bachelor of Computer Applications (BCA) at Atmiya University and am currently pursuing my Master of Computer Applications (MCA) at CHARUSAT. As a motivated fresher, I am deeply interested in Software Development, Full-Stack Web Development, and expanding my skills in Artificial Intelligence and Machine Learning. Eager to apply my technical foundation to real-world projects, adapt to new technologies, and continuously grow through hands-on development.

## TECHNICAL SKILLS

| | |
|---|---|
| **Languages:** | Java, PHP, C, C#, JavaScript, C++ |
| **Web Technologies:** | HTML5, CSS3, ASP.NET, AJAX, Bootstrap |
| **Databases & Tools:** | MySQL, PL/SQL, Oracle Database, Maven, Git, GitHub |
| **Design & Tools:** | Adobe Photoshop, MS Excel (Data Management), MS Word |
| **Areas of Interest:** | Full-Stack Development, Artificial Intelligence & Machine Learning |

## EDUCATION

**Master of Computer Applications (MCA)** 2026 – 2028
**Charotar University of Science and Technology (CHARUSAT)**
Anand, Gujarat

**Bachelor of Computer Applications (BCA)** 2023 – 2026
**Atmiya University**
Rajkot, Gujarat

**Higher Secondary Certificate (HSC)** 2021 – 2022
**Shri Mahatma Gandhi Educational Campus**
Rajkot, Gujarat

**Secondary School Certificate (SSC)** 2020 – 2021
**Shri Mahatma Gandhi Educational Campus**
Rajkot, Gujarat

## INTERNSHIP EXPERIENCE

**Java Software Intern** May 2025
**Aegis Softech, Rajkot, Gujarat**

- Developed a To-Do List Application using Core Java and configured structured Maven project dependencies.
- Implemented core features including task creation, status updates, tracking, and object data persistence.
- Gained experience in standard software development lifecycles and clean coding principles.

**Social Immersion Intern** 2024
**CSCI Department, Atmiya University, Rajkot, Gujarat**

- Managed structured student dataset records in MS Excel and organized department documentation in MS Word.
- Handled data entry, document formatting, and coordination for student club activities and campus events.

## KEY PROJECTS

### NexGen LMS (Learning Management System)

Team Project

PHP | MySQL | HTML5/CSS3 | JavaScript

Live Demo: **nextgenlms.infinityfree.me**

- Built a full-stack web application to facilitate online learning, course management, and student tracking.
- Designed secure user authentication and role-based access control for students and administrators.
- Created relational MySQL database schemas for seamless course catalog and user data management.

### Job Portal Application

Team Project

PHP | MySQL | Bootstrap | Web Hosting

Live Demo: **job-portal3.free.nf** | Repository: **github.com/VaidikDhamecha/job-portal**

- Developed a comprehensive recruitment portal enabling job seekers to search and apply for posted positions.
- Engineered dynamic filtering tools allowing applicants to browse jobs by title, skills, and categories.
- Deployed and configured the full application on a live cloud web hosting platform.

### OES System (Online Examination System)

Solo Project

Java | JSP/Servlet | MySQL | HTML/CSS

Live Demo: **oes-system.free.nf** | Repository: **github.com/VaidikDhamecha/oes-analyzer**

- Developed an online examination portal featuring automated test submission and result calculation.
- Structured database tables to manage question banks, user attempts, and test scores.
- Designed a user-friendly interface for seamless exam navigation.

## CERTIFICATIONS & ACHIEVEMENTS

**CodeArena 2.0 Certified**
Darshan University

**Codecarnival Certified**
Atmiya University

**Photoshop Course Certified**
STP Computer Education Online

**CCC Course Certified**
Shri Academy, Rajkot

## LANGUAGES & CORE STRENGTHS

**Languages:** English, Gujarati (Native), Hindi

**Core Strengths:** Problem Solving, Analytical Thinking, Collaboration, Rapid Tech Adaptability
